## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-10 are allowed.
2. The drawings filed 04/05/2005 are acceptable.

### ***Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose or render obvious the claimed combination including first throttle and second throttle bodies of V-type engine, a plurality throttle valves and intake passages, throttle shafts disposed in throttle bodies to be simultaneously opened/closed, a drive means for rotatably said first throttle shaft and said second throttle shaft; and a return spring that returns said throttle valves to a predetermined angular position, wherein said drive means comprises a motor disposed between said first throttle shaft and said second throttle shaft, and a gear train that transmits a driving force of said motor to said first throttle shaft and second throttle shaft, and said first throttle body and said second throttle body include bearings which respectively support said first throttle shaft and said second throttle shaft in mutual intervals between said plurality of intake passages.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
